

# PURIFIED

## Frequently Asked Questions

### Is there a cost to the parish?

No, there is no direct cost to the parish. We do ask that you dedicate your time, which is your most valuable resource, to promoting the event and inviting families to attend.

### Is this just an abstinence talk?

No, Chastity is much more than “just abstinence”. The message of chastity promotes self-worth and self-respect and teaches that you are more than your actions or your body. This event also offers a chance to renew your commitment to living chastely if you have gone off the path.

### Who should attend this event?

Purified is intended for anyone ages 13+. The event is primarily intended for teens and their parents, but there may be parents who attend who have children that are not yet teenagers but they want to educate themselves about the subject matter. There may also be teachers, grandparents, mentors, catechists or anyone who would like to know how to help speak to youth or want to be educated themselves about this topic.

### Where does the money go?

10% of all profit received through ticket sales will go back to the hosting parish with the hope that they will be used for Youth Ministry programs. All other proceeds from ticket funds received will go directly to offsetting the costs of the event and funding of the missionary efforts of Chastity Project, a nonprofit 501c3. The goal of Chastity Project is to distribute the message of chastity across the world. To date, we have distributed more than two million chastity materials throughout the globe.

### Is there a minimum number of tickets that must be sold?

There is no minimum of tickets that must be sold, but we reserve the right to discuss postponing the event to a different date due to radically low turnout. (less than 300)

### Should we find accommodations for Jason?

Thank you for your generosity! Chastity project will take care of all of Jason’s travel needs.

### Will Jason be available to answer questions and speak with people on the event day?

Jason remains at the event after its conclusion, to speak personally with attendees.

### How do we book Jason for Purified?

To bring Purified to your parish, email us at [events@chastity.com](mailto:events@chastity.com) or call 717-468-1972
